

A high-angle photograph of a modern outdoor furniture set on a light-colored, textured rug. The set includes a square wooden table with a slatted top and a dark metal tray holding three candles. Two chairs with black mesh backs and light wood armrests are positioned around the table. A tall, black metal floor lamp with a circular shade is also visible. The scene is brightly lit, casting shadows on the rug.

# INSPIRATION

Inspiriert von der Sonne – sol.  
Begeistert von Design – puri.

solpuri verbindet die Lebensenergie der Sonne  
mit der Klarheit gelungener Gestaltung.  
Draußen zu verweilen, outdoor im Hier und Jetzt  
jenseits aller vier Wände zu sein, das bedeutet  
für solpuri, jenseits üblicher Standards  
neue Impulse für Lebensqualität  
und einzigartiges Design zu setzen.

Inspired by the sun – sol.  
Driven by design – puri.

solpuri combines the vital energy of the sun with the clarity  
of excellent design. For solpuri, spending time  
outside in the here and now, outside of all four walls,  
means transcending the usual standards and creating  
a better quality of life with our unique designs.

solpuri ist die Kunst,  
Lebensfreude und Gestaltung  
zu vereinen.

Verträumte Sommertage im Garten mit  
anregenden Gesprächen und Büchern.  
Ein Dinner, irgendwo auf einer mondänen  
Dachterrasse im Szeneviertel.

Ein unvergesslicher Tag im Strandhaus  
der Familie, gesäumt von Kindergelächter  
und dem Rauschen des Meeres.

Was immer Sie vorhaben,  
genießen Sie Ihre Zeit unter  
freiem Himmel – solpuri entführt Sie  
auf die Sonnenseite des Lebens.

"Joy of design is joy of living.  
This design premise uniquely characterises  
all of our designs."

Christof Schulte, solpuri management

„Freude an Design ist Freude  
am Leben. Diese Prämisse  
des Gestaltens prägt auf unvergleichliche  
Weise unsere Entwürfe.“

Christof Schulte, Geschäftsführung solpuri

# LIVING

solpuri is the art of combining joie de vivre and design.

Dreamy summer days in the garden, enjoying  
conversation or a good book. Dinner on a stylish  
rooftop terrace in a trendy part of town.

An unforgettable day at the family beach house,  
accompanied only by children's laughter and the rushing  
sound of the sea. Whatever you have in mind,  
enjoy your time out in the open – solpuri takes you  
to the sunny side of life.

From vision to reality

Our award-winning designs take life outside  
and open up new, sensual living spaces.  
This is manifested in the timeless beauty and  
detail of the designs – a modern interpretation  
of legendary Bauhaus design, committed  
to the highest level of seating comfort.

Von der Vision zur Wirklichkeit:  
Ausgezeichnetes Design.

Die vielfach ausgezeichneten Entwürfe der solpuri  
Designer tragen das Leben nach draußen und erschließen  
dort neue, sinnliche Lebensräume. Dies manifestiert  
sich in der Schönheit der Detaillösungen ebenso  
wie in der Zeitlosigkeit der Formsprache – als moderne  
Interpretation legendären Bauhausdesigns und  
als Bekenntnis zu höchstem Sitzkomfort.

### Uncompromisingly high-quality metalwork

For our stainless steel and aluminium collections, we only use the highest quality alloys which guarantee high stability and a long life. Through the use of complex castings and thick-walled construction elements, precisely processed frame constructions are created using state-of-the-art production technologies. A final finish by hand gives every piece of furniture the finishing touch.

### Kompromisslos hochwertige Metallverarbeitung

Für unsere Edelstahl- und Aluminium-Kollektionen verwenden wir ausschließlich hochwertigste Legierungen, die eine hohe Stabilität und lange Lebensdauer garantieren. Durch den Einsatz von komplexen Gussteilen und dickwandigen Konstruktionselementen entstehen unter Anwendung modernster Fertigungstechnologien präzise verarbeitete Rahmenkonstruktionen. Ein abschließendes Hand-Finishing verleiht jedem Möbel seinen letzten Schliff.

# QUALITY

"solpuri stands for extremely high-quality materials, the sustainable use of resources and advanced manufacturing technology in the interests of unique processing."

Florian Mesch, solpuri management

„solpuri steht für hochwertigste Materialien, den nachhaltigen Umgang mit Ressourcen und modernste Fertigungstechnik zugunsten einzigartiger Verarbeitung.“

Florian Mesch, Geschäftsführung solpuri

### Sustainability

We take our responsibility for the environment very seriously. When designing and developing our furniture, we consider the careful treatment of our resources. All our materials are low-pollutant and recyclable. We only use certified teak for our furniture. This is grown on selected plantations in Asia that are run according to ecological and social sustainability criteria. All our wooden components are fairly traded, and our suppliers are certified by the German TÜV. The timber is grown naturally and processed without chemicals.

### Nachhaltigkeit

Wir sind uns unserer hohen Verantwortung für die Umwelt bewusst. Bei der Konzeption und Entwicklung unserer Möbel legen wir größten Wert auf einen schonenden Umgang mit unseren Ressourcen. Alle unsere verwendeten Materialien sind schadstoffarm und recyclebar. Wir verwenden ausschließlich zertifiziertes Teakholz für unsere Möbel. Dieses wächst auf ausgesuchten Plantagen Asiens, die bewusst nach ökologischen und sozialen Kriterien der Nachhaltigkeit arbeiten. Die von uns verarbeiteten Holzkomponenten werden fair gehandelt, und unsere Lieferanten sind dafür vom Deutschen TÜV zertifiziert. Das Holz ist natürlich gewachsen und frei von Chemikalien verarbeitet worden.

Jeder Blocc Teak-Kubus ist ein Unikat mit natürlicher Maserung. Da es sich bei BLOCC um ein Vollholzprodukt handelt, entstehen charakteristische Trocknungsrisse, die keinerlei Auswirkung auf die Haltbarkeit des Holzes haben.  
Each Blocc Teak Cube is unique with a natural grain. Since BLOCC is a solid wood product, characteristic drying cracks can occur which do not affect the durability of the wood.

## Teak

-401 teak rustique

Teak ist ein dichtes Hartholz mit größter Widerstandfähigkeit gegenüber Witterungseinflüssen sowie Insekten. Für die solpuri-Teak-Möbel wird ausschließlich bestes Teak-Holz der Güteklasse A verwendet. Alle Holzkomponenten werden handverlesen und nach Farbe sowie Maserung sortiert. Die Oberflächen werden mit getrockneten Bananenblättern von Hand poliert und erhalten so ihren edlen Glanz.

Teak is a dense hardwood with highest resistance against weather conditions as well as insects. The solpuri teak-wood furniture is only made of the highest quality, grade A teak wood. All wood components are handpicked and sorted by colour and grain. The surface is hand polished with dried banana leaves which gives the teak its precious shine.
